Mr. Hoock,

First and foremost congratulations on your recent admittance to the United States Southern District of Indiana!

That being said I see you filed an appearance in the case. It has been a bit rough getting anyone to file in and/or respond and I truly am hoping that changes with your appearance.

If you should ever want to discuss the case my cell is always on and readily available (765) 437-8451.

Best Regards,

Joey Kimbrough

Confirmation of receipt.

Nice speaking with David today. As stated I am eager to get resolution in this matter amicably for both parties.

Also, as stated if an extension is needed to respond to the pending Summary Judgment, before the court, I would be glad to approve.

Regards,
Joey
